

PROPOSAL OF CANDIDATE FOR THE LOUIS-JEANTET PRIZE FOR MEDICINE 2018

The form must be completed in English using the space allowed; then printed, signed and sent by post (to: Secretariat of the Scientific Committee, Louis-Jeantet Foundation, Chemin Rieu 17, 1208 Geneva, Switzerland) or e-mail to: schifferli@jeantet.ch with the relevant attachments.

Deadline: February 20, 2017

CANDIDATE*

Surname	First name
Age or birthdate	Nationality
Position and title	
Professional address	

* It is possible to nominate a research team rather than a single individual. In this case provide above only the name of the head of the group and attach a complete list of members of the team considered to share intellectual responsibility for the team's activities.

NOMINATED BY*

a) Surname	First name
Title	E-mail
Address	Date
	Signature

b) If the nominator represents an organisation, state in addition:

Organisation	E-mail
Address	Date
	Official seal or stamp and signature

* Candidates for the Louis-Jeantet Prize for Medicine must be nominated by scientific personalities (without any family ties with them) or institutions (universities or major agencies funding research) possessing detailed knowledge of their work. **Self-nominations are not accepted. Nominees should not be informed of their nomination. Nominations of candidates under 50 are encouraged.**

Summarise the main scientific achievements and present research activities of the candidate

State in one sentence what is the major contribution of the candidate

State in one sentence what is the significance of this work outside the specific research field

List the five most relevant research papers (original, peer-reviewed articles) and attach copies

Add a copy of the candidate's curriculum vitae and publications list if available.
Before sending, please check that your text fits within the boxes to be sure that it is readable.
